Notes:

- 1) The Name of company has been changed from "Staragri Finance Limited" to "Agriwise Finserv Limited" w.e.f. 15th October 2020.
- 2) The financial results have been prepared in accordance with and comply in all material aspects with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act. The annual financial statements, used to prepare the financial results, are based on the notified Schedule III of the Act, as amended from time to time, for Non-Banking Financial Companies that are required to comply with Ind AS. Any application guidance / Clarifications / Directions issued by Reserve Bank of India or other regulators are implemented as and when they are issued / applicable.
- 3) These standalone financial results have been prepared in accordance with the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as modified by SEBI Circular No. "CIR/CFD/FAC/62/2016" dated July 05, 2016 read with "CIR/IMD/DF1/69/2016" dated August 10, 2016.
- 4) The above results were reviewed by the audit committee and were approved and taken on the record by the Board of Directors at their meeting held on 29th June 2021.

- 5) "In accordance with the Board approved moratorium policy read with the Reserve Bank of India(RBI) guidelines dated 27 March 2020, 17 April 2020 and 23 May 2020 relating to 'COVID-19-Regulatory Package', the Company had granted moratorium upto six months on the payment of instalments which became due between 1 March,2020 and 31 August,2020 to all eligible borrowers. This relaxation did not automatically trigger a significant increase in credit risk. The Company continued to recognize interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period did not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria.
- 6) The impact of COVID-19 on the global economy and how governments, businesses and consumers respond is uncertain. This uncertainty is reflected in the Company's assessment of impairment loss allowance on its loans which are subject to a number of management judgments and estimates. In relation to COVID-19, judgements and assumptions include the extent and duration of the pandemic, the impacts of actions of governments and other authorities, and the responses of businesses and consumers in different industries, along with the associated impact on the global economy. The Company has separately incorporated estimates, assumptions and judgements specific to the impact of the COVID-19 pandemic and the associated support packages in the measurement of impairment loss allowance. The Company's impairment loss allowance estimates are inherently uncertain and, as a result, actual results may differ from these estimates."
- 7) The Code on Social Security, 2020 ("Code") relating to employee benefits during the employment and post-employment benefits has been published in the Gazette of India on 28th September, 2020. The Ministry of Labour and Employment has released draft rules for the Code on 13th November, 2020. The effective date from which these changes are applicable is yet to be notified. The Company will assess and record the impact, if any when the rules are notified and the Code becomes effective.
- 8) The above results for the half year and year ended 31st March, 2021 are in compliance with Indian Accounting Standards (Ind-AS) as notified by Ministry of Corporate Affairs. Consequently, results for the half year and year ended 31st March, 2020 has been restated to comply with IND AS to make them comparable, which has not been reviewed by Statutory Auditors. The Statutory Auditors have carried out audit of results for the year ended 31st March, 2021.
- 9) The figures of the six months ended 31 March 2021 and 31 March 2020 are the balancing figures in respect of full financial year and unaudited published year to date figures of six month of the respective financial year and previous financial year.
- 10) The Government of India, Ministry of Finance, vide its notification dated October 23, 2020, announced a scheme for COVID-19 Relief for grant of exgratia payment of difference between compound interest and simple interest for six Months to borrowers in specified loan accounts ("the Scheme"), as per the eligibility criteria and other aspects specified therein and irrespective of whether moratorium as per RBI regulatory package was availed or not. The Company has implemented the Scheme and credited the accounts of or remitted amounts to the eligible borrowers as per the Scheme, amounting to Rs.60.56 lakhs. The Company has filed its claim for the ex-gratia with State Bank of India as per the Scheme and has received an amount of Rs. 55.64 lakh as on March 31, 2021.

- 11) "In view of the Honourable Supreme Court of India interim order dated September 3, 2020 (Public Interest Litigation (PIL) by Gajendra Sharma Vs Union of India & ANR), no additional borrower accounts were classified as impaired non-performing assets (NPA) (stage3)), which were not declared non-performing till August 31, 2020. Basis the said interim order the Company had not classified any additional borrower account as NPA as per the Reserve Bank of India or other Regulatory prescribed norms, after August 31, 2020 which were not NPA as of August 31, 2020.

The interim order granted to not declare accounts as NPA stood vacated on March 23, 2021. In accordance with the instructions in paragraph 5 of the RBI circular dated April 07, 2021 issued in this connection, the Company has complied with the asset classification of borrower accounts as per the ECL model under Ind AS financial statements for year ended 31 March 2021."

- 12) Reconciliation of Net profit for the corresponding year ended March 31, 2020 between previous Indian GAAP and IND AS as under:

Recognition of Interest on NPA	(v)	234.22
Effective interest rate - borrowing	(vi)	80.20
Effective interest rate - Financial Assets	(vii)	(4.44)
Net Deferred tax asset/(liability) on above adjustments	(ix)	527.31
Equity as reported Under IND AS	(iii)	16,723.06

Notes:

(i) Both under Indian GAAP and Ind AS, the Company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gains and losses, are charged to profit or loss. Under Ind AS, remeasurements comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on the net defined benefit liability are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI. Thus, there is corresponding impact on employee benefit cost.

(ii) Under Indian GAAP, the Company recognised costs related to its ESOP based on intrinsic value method. However, under Ind AS the same is recognised using Fair value method.

(iii) As per previous GAAP, loans and receivables are recognised at cost less provision specified as per the prudential norms issued by RBI. As per Ind AS 109 the loans and receivable has been recognised at amortised cost less expected credit loss based on the classification of loans as stage 1, stage 2 and stage 3. This would require assessment of 12 month loss allowance and life time loss allowance on the loans and receivables.

(iv) Under Previous GAAP, transaction cost charged to customers were recognised upfront while under Ind AS, such costs are included in the initial recognition amount of financial asset and recognised as interest income using effective interest method.

(v) Under Previous GAAP, the Company did not accrue interest on stage 3 assets. Under Ind AS, the Company has recognized interest on stage 3 assets.

(vi) Under Previous GAAP, transaction cost related to borrowings were recognised upfront while under Ind AS, such costs are included in the initial recognition amount of financial liability and recognised as interest expense using effective interest method.

(vii) Under Previous GAAP, the Company accounted for refundable security deposits provided to Vendors at carrying cost. Under Ind AS, these deposits have been accounted at amortised cost determined using the appropriate market rate.

(viii) Under Previous GAAP, the Company accounted for lease rentals on a straight line basis over lease term. Under Ind AS, the present value of lease rentals is accounted for as Lease liability with corresponding debit to Right to use asset(ROU). Lease rentals paid are bifurcated into interest and principal repayment of lease liability. ROU is depreciated over the lease term.

"(ix) Previous GAAP requires deferred tax accounting using the profit and loss approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base.

The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences arising on account of transitional differences adjustments which were not required under Previous GAAP."

- 14) In terms of the requirement as per RBI notification no. RBI/2019-20/170 DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated March13,2020 on Implementation of Indian Accounting Standards, Non-Banking Financial Companies (NBFCs) are required to create an impairment reserve for any shortfall in impairment allowances under Ind AS 109 and Income Recognition , Asset Classification and Provisioning (IRACP) norms (including provision on standard assets).The impairment allowances under Ind AS 109 made by the company exceeds the total provision required under IRACP (including standard asset provisioning), as at March 31, 2021 and accordingly, no amount is required to be transferred to impairment reserve.
- 15) There is only one segment in which company is operating i.e. lending and hence there is no separate reportable segment as per Ind AS 108 on 'Operating Segments' in respect of the Company.
- 16) The previous period's / year's figures have been regrouped / reclassified, wherever necessary, to correspond with the current period's / year's classification / disclosure.
